All Prizes will be paid as set forth in the following table:

Numbers Matched	Odds: 1 in	Prize Category (Level)	Prize Amount	Pari-mutuel/ Fixed Amount
6	10,737,573	Grand	$250,000.00 per year for 30 years, or $4,000,000.00 cash*	Fixed / Pari-mutuel

*$10,000,000.00 liability cap is set for each Drawing. Prize is fixed for up to two (2) Grand Prizewinners. If there are three (3) or more Prizewinners, the Prize becomes pari-mutuel and all Prizewinners would share equally in the $10,000,000.00 cap.

**$250,000.00 Liability Cap is set for each Drawing. Prize is fixed for up to twenty-five (25) second-tier Prizewinners. If there are twenty-six (26) or more Prizewinners, the Prize becomes pari-mutuel and all Prizewinners would share equally in the $250,000.00 cap.

2. Grand Prize: At the sole option of the Grand Prizewinner at the time of Prize validation and claim, he or she may irrevocably elect to receive either an Annual Payout Option or a Cash Option.

The election to receive the Grand Prize either as a single lump sum or as an annual payout option must be completed within 60 days of Prize validation and claim, and before any periodic Prize payments are made; if no election is completed by close of business on the sixtieth (60th) day, the Claimant shall be paid under the Annual Payout Option.

If multiple Claimants, acting as a group, claim a Grand Prize, the Election must be unanimous. If such multiple Claimants are unable to unanimously make an Election, the prize shall be paid under the Annual Payout Option; however, the smallest annual pre-tax payment for each Claimant will not be less than $5,001.00. If there are multiple Claimants acting as a group and the smallest annual pre-tax payment, or the smallest Cash Option payment, for an individual Claimant is less the $5,001.00, the multiple Claimants must name a single recipient to whom the Virginia Lottery will issue payment.

Refer to **Section N** ("Prize Claims") for information pertaining to State and Federal withholding taxes, debts subject to the Virginia Set-off Debt Collection Act, and any other amounts that shall, by requirement, be withheld from payment(s).

a. Annual Payout Option

The annuitized Grand Prize amount shall be $7.5 million paid annually over a thirty (30) year period with the first payment being made as soon as reasonably possible following a validated Prize claim. The subsequent twenty-nine (29) payments shall be paid annually to coincide with the month of the federal auction date at which the purchased bonds mature. All such payments shall be made within seven (7) days after the actual maturity date.

b. Cash Option

If a Prizewinner elects the Cash Option, the Grand Prize amount is $4 million. The Grand Prize amount stated is set unless the Liability Cap is invoked. The Prize shall be paid in one (1) lump sum approximately seven (7) business days after the Election Form is signed.

3. Other Prize Wins: Every prize of two dollars ($2.00) through ten (10) thousand dollars ($10,000.00), shall be paid in one (1) payment.

4. When the Virginia Lottery calculates any pari-mutuel Prize other than the Grand Prize, the calculation shall be rounded down so that Prizes will be paid in multiples of one (1) dollar ($1.00).
