The Lottery may initiate such negotiations whenever the Lottery determines that it is in the Lottery's best fiscal interests to do so. Notwithstanding any other provision of this Contract to the contrary, the Lottery may terminate this Contract immediately and without penalty if the Lottery is unable to renegotiate the compensation with the Contractor to an amount which the Lottery determines to be appropriate.

T. RENEWAL OF CONTRACT:

This Contract may be renewed by the Lottery for four (4) successive one-year periods under the terms and conditions of the original Contract except as stated in 1. and 2. below. In every Contract over \$10,000 the provisions in 1. and 2. below apply:

During the performance of this Contract, the Contractor agrees as follows:

1. D. ASSIGNMENT OF CONTRACT:

A Contract shall not be assignable by the Contractor in whole or in part without the written consent of the Lottery.

By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Lottery's right to audit the Contractor's records and/or to determine the correct number of units independently; or

By ordering the Contractor to proceed with the work and keep a record of all costs incurred, and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Lottery with all vouchers and records of expenses incurred and savings realized. The Lottery shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Lottery within thirty (30) days from the date of receipt of the written order from the Lottery. If the parties fail to agree on an amount of adjustment, the question of an increase or decrease in the Contract price or time for performance shall be resolved in accordance with the procedures for resolving disputes provided by the Disputes Clause of this Contract or, if there is none, in accordance with the dispute's provisions of the Lottery's Purchasing Manual. In case of failure to deliver goods or services in accordance with the Contract terms and conditions, the Lottery, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Lottery may have.

J. DRUG-FREE WORKPLACE:

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "*drug-free workplace*" means a site for the performance of work done in connection with a specific Contract awarded to a Contractor, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession or use of any controlled substance or marijuana during the performance of the Contract.

K. ETHICS IN PUBLIC CONTRACTING:

Contractor certifies that their bid was made without collusion or fraud and that they have not offered or received any kickbacks or inducements from any other Bidder, supplier, manufacturer or subcontractor in connection with their bid, and that they have not conferred on any public employee having official responsibility for this procurement transaction any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value was exchanged.

L. IMMIGRATION REFORM AND CONTROL ACT OF 1986:

By entering into a written Contract with the Lottery, the Contractor certifies that they so not, and shall not during the performance of the Contract for goods and services in the Commonwealth, knowingly employ an unauthorized alien as defined in the federal Immigration Reform and Control Act of 1986.

By signing this Contract, the Contractor certifies it will have the following insurance coverage at the time of signature. For construction contracts, if any subcontractors are involved, the subcontractor will have workers' compensation insurance in accordance with §§ 2.2-4332 and 65.2-800 et seq. of the *Code of Virginia*. The Contractor further certifies that he and any subcontractors will maintain this insurance coverage during the entire term of the Contract and that all insurance coverage will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

Minimum Insurance Coverages and Limits Required for Most Contracts:

1. Workers' Compensation - Statutory requirements and benefits. Coverage is compulsory for employers of three or more employees, to include the employer. Contractors who fail to notify the Commonwealth of increases in the number of employees that change their workers' compensation requirements under the *Code of Virginia* during the course of the Contract shall be in noncompliance with the Contract.
2. Employer's Liability - \$100,000.
3. Commercial General Liability - \$1,000,000 per occurrence. Commercial General Liability is to include bodily injury and property damage, personal injury and advertising injury, products and completed operations coverage. The Commonwealth of Virginia must be named as an additional insured and so endorsed on the policy.
4. Automobile Liability - \$1,000,000 per occurrence. (Only used if motor vehicle is to be used in the Contract.)

N. NONDISCRIMINATION OF CONTRACTOR:

A Contractor shall not be discriminated against in the award of this Contract because of race, religion, color, sex, national origin, age, disability, faith-based organizational status, any other basis prohibited by state law relating to discrimination in employment or because the Contractor employs ex-offenders unless the Lottery, department or institution has made a written determination that employing ex-offenders on the specific Contract is not in its best interest. If the award of this Contract is made to a faith-based organization and an individual, who applies for or receives goods, services, or disbursements pursuant to this Contract objects to the religious character of the faith-based organization from which the individual receives or would receive the goods,

services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

O. PAYMENT:

1. To Prime Contractor:
 - a) Invoices for items ordered, delivered and accepted shall be submitted by the Contractor directly to the payment address shown on the purchase order/Contract. All invoices shall show the Lottery Contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations).
 - b) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. This shall not affect offers of discounts for payment in less than 30 days, however.
 - c) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.
 - d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
 - e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Lottery shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within 30 days of notification. The provisions of

this section does not relieve the Lottery of its prompt payment obligations with respect to those charges which are not in dispute.

2. To Subcontractors:

- a) A Contractor awarded a Contract is hereby obligated:
 - i. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Lottery for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or
 - ii. To notify the Lottery and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.

- b) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Lottery, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Lottery.

3. The Lottery encourages contractors and subcontractors to accept electronic and credit card payments.

P. PERSONNEL SECURITY CLEARANCES:

Section 58.1-4008 of the *Code of Virginia* (Virginia Lottery Law) requires that all Board members, officers and employees of any vendor of lottery online or instant ticket goods or services working directly on a Contract with the Virginia Lottery for such goods or services shall be subject to a criminal background search to be conducted by the chief security officer of the Virginia Lottery. Additionally, Lottery Regulation 5-20-410 extends this to include any parent or Subsidiary Corporation of the vendor, and any shareholder of 5% or more of the vendor, its parent or Subsidiary Corporation.

No person who has been convicted of a felony, bookmaking or other form of illegal gambling, or of a crime involving moral

turpitude shall be employed on Contracts with vendors described in this section.

No Board member, officer, or employee of a vendor to the Virginia Lottery of online or instant ticket goods or services working directly on a Contract for such goods or services, or any person residing in the same household of such Board member, officer or employee, shall purchase a lottery ticket or share, or receive a prize paid on a ticket purchased by or transferred to such person.
