In addition to a Contractor's ineligibility for award of programs over \$5,000, the Lottery may procure the goods and/or services from other sources and hold the Contractor responsible for the price difference of the original contract amount and the amount of the new contract. The Lottery will follow competitive principles as outline herein for the re-procurement.

The vendor will remain in default until the re-procurement costs have been paid to the Lottery. The vendor is still subject to the three year ineligibility based on the default regardless as to when the re-procurement cost is paid.

5. Number of Complaints:

a) For Term Contracts: if the Contractor has received three or more complaints within the initial contract period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery's discretion, be ineligible to submit a bid/proposal if the goods/services are re-solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

b) For a Renewal Period: if the Contractor has received three or more complaints within a renewal period as documented by Contractor Complaint Forms, the Contractor may, at the Lottery's discretion, be ineligible to submit a bid/proposal

if the goods/services are re-solicited at expiration of contract. Ineligibility shall apply even though a satisfactory resolution to all complaints occurred.

L. **RENEGOTIATION OF CONTRACT**

The Lottery reserves the right, at any time during the Contract term or any renewals of the term, to renegotiate with the Contractor a reduction in the compensation paid to the Contractor that is less than the compensation initially agreed to by the Contractor and the Lottery at the time of Contract execution. The Lottery may initiate such negotiations whenever the Lottery determines that it is in the Lottery's best fiscal interests to do so, and/or in the event of Legislative or Executive Branch action requiring contract modification. The changes may be modified or amended only by a writing signed by each party.

I. **CHANGES TO THE CONTRACT:**

Changes can be made to the Contract in any of the following ways:

1. The parties may agree in writing to modify the scope of the Contract. An increase or decrease in the price of the Contract resulting from such modification shall be agreed to by the parties as a part of their written agreement to modify the scope of the Contract.
2. The Lottery may order changes within the general scope of the Contract at any time by written notice to the Contractor. Changes within the

scope of the Contract include, but are not limited to, things such as services to be performed, the method of packing or shipment, and the place of delivery or installation. The Contractor shall comply with the notice upon receipt. The Contractor shall be compensated for any additional costs incurred as the result of such order and shall give the Lottery a credit for any savings. Said compensation shall be determined by one of the following methods:

By mutual agreement between the parties in writing; or

By agreeing upon a unit price or using a unit price set forth in the Contract, if the work to be done can be expressed in units, and the Contractor accounts for the number of units of work performed, subject to the Lottery's right to audit the Contractor's records and/or to determine the correct number of units independently; or

By ordering the Contractor to proceed with the work and keep a record of all costs incurred and savings realized. A markup for overhead and profit may be allowed if provided by the Contract. The same markup shall be used for determining a decrease in price as the result of savings realized. The Contractor shall present the Lottery with all vouchers and records of expenses incurred and savings realized. The Lottery shall have the right to audit the records of the Contractor as it deems necessary to determine costs or savings. Any claim for an adjustment in price under this provision must be asserted by written notice to the Lottery within thirty (30) days from the date of receipt of the written order from the Lottery. J. **CLARIFICATION OF TERMS:**

If any prospective Offeror has questions about the specifications or other solicitation documents, the prospective Offeror should contact the buyer whose name appears on the face of the solicitation no later than five working days before the due date. L. **DEFAULT:**

In case of failure to deliver goods or services in accordance with the Contract terms and conditions, the Lottery, after due oral or written notice, may procure them from other sources and hold the Contractor responsible for any resulting additional purchase and administrative costs. This remedy shall be in addition to any other remedies which the Lottery may have.

M. **DRUG-FREE WORKPLACE:**

During the performance of this Contract, the Contractor agrees to (i) provide a drug-free workplace for the Contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the Contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the Contractor that the Contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

- c) All goods or services provided under this Contract or purchase order, that are to be paid for with public funds, shall be billed by the Contractor at the Contract price, regardless of which public agency is being billed.
- d) The following shall be deemed to be the date of payment: the date of postmark in all cases where payment is made by mail, or the date of offset when offset proceedings have been instituted as authorized under the Virginia Debt Collection Act.
- e) Unreasonable Charges. Under certain emergency procurements and for most time and material purchases, final job costs cannot be accurately determined at the time orders are placed. In such cases, contractors should be put on notice that final payment in full is contingent on a determination of reasonableness with respect to all invoiced charges. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Lottery shall promptly notify the Contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A Contractor may not institute legal action unless a settlement cannot be reached within 30 days of notification. The provisions of this section do not relieve the Lottery of its prompt payment obligations with respect to those charges which are not in dispute.

2. To Subcontractors:

- a) A Contractor awarded a Contract under this solicitation is hereby obligated:
 - i. To pay the subcontractor(s) within seven (7) days of the Contractor's receipt of payment from the Lottery for the proportionate share of the payment received for work performed by the subcontractor(s) under the Contract; or
 - ii. To notify the Lottery and the subcontractor(s), in writing, of the Contractor's intention to withhold payment and the reason.
 - b) The Contractor is obligated to pay the subcontractor(s) interest at the rate of one percent per month (unless otherwise provided under the terms of the Contract) on all amounts owed by the Contractor that remain unpaid seven (7) days following receipt of payment from the Lottery, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier Contractor performing under the primary Contract. A Contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Lottery.
3. The Lottery encourages contractors and subcontractors to accept electronic and credit card payments.
