

# COMBINED WEEKLY SETTLEMENT REPORT

The Virginia Lottery's new combined Weekly Settlement Report contains online AND instant settlement information. The

Instant Settlement Information Æ  
Activations are billed at total pack price. Æ  
Commissions are shown as credits on the Æ  
Instant Commissions line.

Online Settlement Information Æ

all-in-one Weekly Settlement Report lists the Instant Activations, Online Sales, Online Cancels, online and instant Commissions, online and instant Cashes, Promotions, Net Adjustments and Balance Due for that week. Also shown (at the bottom) are future dates when pack activations will be billed.

Sweep Amount, Account # and Date Æ

The Weekly Settlement Report prints automatically from the Altura when you sign-on each Wednesday. You can request additional copies on the Report menu.

Billing dates for future pack activations Æ

If adjustments were made, an **Adjustment Detail Report** prints automatically from the Altura directly after the Weekly Settlement Report prints each Wednesday.

In addition, retailers can print detail reports for instant cashes as well as the following **instant detail reports**: Pack Commission, Pack Commission Settlement, Inventory Summary, Ticket Activity, Settlement Detail, and Ticket Return Detail.

Retailers need to know how much money must be in their Lottery account for each week's sweep, which occurs every Thursday for settlement of online and instant products. Any item returned because of non-sufficient funds (NSF) will be assessed a \$50 charge.
